Haunt X: DIY Haunters & Halloween Expo is opening its doors once again in SoCal (where originally birthed) to those who are creatively minded Halloween enthusiasts, and those young, bold minds eager to achieve knowledge and bring on their own haunt experience for neighbors and the guests of pro haunts, this is for you. Haunt X: DIY Haunters & Halloween Expo at the Fairplex, Building 7, Pomona, CA on June 11th and 12th, 2022. Tickets: <https://hauntx.com/attend/event-tickets-here>

Haunt X: DIY Haunters & Halloween at the Fairplex in Pomona, CA, where the home haunter, Halloween enthusiast and pro hunter community gathers together for a weekend of scare-based learning, Haunt and Halloween Vendors/Exhibitors shopping, along with a Saturday Night Costume Party and an all-around good fun for the whole Family. Kids 10 and under free with a paid adult admission.

This year we have also expanded the show floor, added more classes and workshops for guests. We pride ourselves on being one of the California's #1 DIY expo.

Also new this year is a “HauntX DIY: Make-it & Take-it” table for guests to come, spend some quality time with an instructor and take home a prop they built on the spot. This Year's DIY Workshops are; Ceramic Skull Painting, LED Wick Candle, Plant Nibbler Monster and Shrunken Head. <https://hauntx.com/education/diy-make-it-take-it>

What else could we possibly offer other than that? Well, we have hand-picked some local haunt and Halloween exhibitors who will also be a part of HauntX from local businesses like FogItUpFog.com and BoneyardEffects.com to local sliders of DecayedBrigade.com, convention friends such as MidSummerScream.org and those outside of SoCal like Las Vegas' very own hauntedenterprises.com, and so many more.

And if that wasn't enough, we will have movie style Photo-Op displays for your Social Media Selfies and have the opportunity to have meet-n-greet booths with panelist, instructors, class teachers and special guests.

For those in the Haunt community in California and various SoCal Haunter Clubs out there or an active home haunter in the US, Haunt X: DIY Haunters & Halloween Expo brings the Haunt & Halloween community an early start to that long road ahead to October and Halloween night.

If you are a Home Haunter, a Yard Display, a Halloween Enthusiast, a pro established Haunted House or someone who wants to learn more and do more than colored lights and store-bought yard trinkets. Then Haunt X: DIY Haunters & Halloween Expo is for you.

At Haunt X: DIY Haunters & Halloween we are here for the Haunt Community that is thriving here is Southern California, what with all of the big daddy's out there like Universal Studios Halloween Horror Nights, Knotts Scary Farm, Queen Mary's Dark Harbor and Six Flag's Fright fest to name some and then there's those ambitious home haunters who put on and bring it just as much as the big daddy's do like Rotten Apple 907 in Burbank, CA. Well this show is for those and everyone else who likes everything to do with Home Haunts, yards displays, Pro-Haunts and Halloween.

October Trick-O-Treat may be several months away, but Southern Californians can get planning and coordinating their yards, walkthroughs, Pro Haunts, and even the Halloween enthusiast houses ready to shine in time for Halloween. Halloween is a growing and thriving business, with more and more people who are decorating their yards and houses much like other holidays. So, gain some knowledge and at the same time have some fun.

"If It's Haunted & Halloween, It's Here!" That's what we say at HauntX, so to back that up we have over 30 classes and panels of famous Haunter and Halloween people you may only know from Theme parks, Film/TV, YouTubers and Haunt Social Media. Now you can meet them in person and ask that burning question that's been in the back of your mind,

"How can I do that?", "What can I build?", "Where can I be a part of your team?" Learn some of the background stories of Haunt community members as they tell their story of growing up with Halloween and now in a successful career. All of that and including some of the most enthusiastic home haunters in SoCal to tell you the ins and outs of it all from the people and not the machine.

So, take a moment to join our haunted Haunt X: DIY Haunters & Halloween Expo February weekend and celebrate Haunters, DIY'rs and Halloween early this year.
